To Whom It May Concern:

S.E.R.V. Niagara is proud to announce its partnership with Catching Dreams, LLC to provide disabled Veterans and Veterans with PTSD a unique and therapeutic fishing experience.

It's no secret that fishing and being on the water is calming and healing. Fishing Therapy, also known as Piscatorial Therapy or Angling Therapy, reduces stress, relieves anxiety, improves focus and is highly recommended as an alternative to medicine, all beneficial to individuals suffering from PTSD (post-traumatic stress disorder), traumatic brain injuries, and memory loss.

S.E.R.V. Niagara was founded by Jennifer D'Andrea-Terreri, the daughter of a military family who grew up at and around Marine Corps base Camp Lejeune. Through her personal experiences and work in the community as Founder of KIDS BREAKING FREE FOUNDATION, INC., she recognized the needs of Military Families and Veterans and thus Founded S.E.R.V. NIAGARA. S.E.R.V. NIAGARA is the only organization in Niagara County New York to provide housing exclusively for homeless and disabled Veterans and their families, while providing a uniquely structured program to educate, employ, empower and promote healing.

It is with great thanks to Catching Dreams, LLC and Captain Ned Librock for partnering with S.E.R.V. Niagara to provide a fun-filled relaxing day on the water and create a memorable fishing experience for our beloved Veterans. They certainly deserve it.

Sincerely,

Jennifer O. D'Andrea-Terreri

Housing and Support Services
for Veterans and Families

Our Mission:

S.E.R.V. Niagara's mission is to S.E.R.V. – Support, Empower, Respect, Veterans and their families.

Before veterans in need can fully benefit from therapeutic programs, skills training, or any other service, they have to have their basic human needs of food, clothing, and shelter met. The "Basic Human Needs" build a strong foundation of trust upon which other services can lead our veteran heroes onto the path of self-sufficiency.

S.E.R.V. Niagara's Permanent Supportive Housing for Veterans and their Families:

As the only provider of Veteran-exclusive housing in Niagara County, we feel it is our duty to continue providing housing for our Veteran heroes and their families. We are focusing on expanding into The Tonawandas, Niagara Falls and surrounding areas.

Our housing solutions not only provide much needed quality services and programs known to prevent homelessness but we render them in a humane, compassionate, and dignified manner.
